**RE: United States v. Gustavo Chavez  
22 Cr. 303 (JMF)**

Dear Judge Furman,

I write to respectfully request a one-month extension of Gustavo Chavez's surrender date, currently September 22, 2024. Mr. Chavez is scheduled for another round of nuclear medicine imaging on September 30, 2024, and a follow-up appointment with his oncologist on October 11, 2024.

An extension is necessary to ensure that Mr. Chavez receives adequate medical care for his reemergent prostate cancer. It is also important that BOP receives the records from these appointments to determine whether Mr. Chavez's designation to a medical facility is required. I have shared Mr. Chavez's medical referral paperwork with Pre-Trial Services Officer Marlon Ovalles and AUSA Andrew Jones and they do not object to this application.

I thank the Court for its consideration of this motion.

Respectfully Submitted,
